SOCIAL SECURITY NUMBERS

Notice required under Section 7(b) of the Federal Privacy Act of 1974

Under section 7(b) of the Privacy Act of 1974, 5 U.S.C. 552a (note), any government agency which requests an individual to disclose his Social Security account number must inform that individual whether the disclosure is mandatory or voluntary, by what statutory or other authority such number is solicited, and what uses will be made of it.

The Department of Environmental Protection and the Attorney General are authorized to request Social Security numbers by the section of the A-901 statute that defines the content of the Disclosure Statement, N.J.S.A. 13:1E-127(e). The Social Security number is used as a secondary identifier by the New Jersey State Police when conducting background investigations of individuals listed on disclosure statements. It is used routinely to ensure correct identification when the State Police conduct checks of criminal history records maintained by the State and Federal governments. In specific investigations which may involve examination of particular records obtained from outside sources, the Social Security number may be used to determine whether the individual named in the records and the individual under investigation are the same or different persons.

The listing of Social Security numbers on the disclosure forms is voluntary. Under Section 7(a) of the Privacy Act, the Department cannot deny or revoke a license or impose any penalty because of an individual's refusal to disclose a Social Security number. However, the absence of a Social Security number as a secondary identifier may delay processing of and decisions on licensure because of the additional investigation time which may be necessary to confirm identifications without the Social Security number. In addition, the absence of a Social Security number may result in the initial identification of an individual as having a criminal record which actually is that of another person. That, again, may result in a delay in the decision on licensure.
